

**REMARKS**

Claims 1-12 are pending in this application. Applicants appreciate and thank the Examiner for indicating that the application is in condition for allowance. However, upon review of the specification and the claims, Applicants note certain typographical errors, which were discussed with the Examiner during the July 12 telephone interview.

Specifically, on page 12, line 19, the phrase "major axes" should be "minor axes." Further, claim 5 should depend from 3, claim 9 should depend from claim 8 and claim 12 should depend from 11 in order to avoid claims 5, 9 and 12 from being indefinite. During the interview, the Examiner indicated that the above amendments will be accepted if filed in a Rule 312 Amendment.

Accordingly, entry of the amendments is requested because the amendments merely correct minor informalities.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
